means. Give them a full swing.

Where would John A. Martin have been at the close of election day had those horrible wood cut pictures of him having a run now in the patents oppeared during the campaign? They than the prohibition platform

Notwithstanding the so-called inde-

Mr. Blaine, in his Augusta speech of mediately after his own defeat and triumph in the end Mr. Cleveland's election, signified that there is to be no cessation on his part of political centroversy.

But how the innocent blameless creaequity in the bone collar-button.

The Dr. Burchard who is credited

ahead of our biggest stories of the his party. years past that we are seriously conenergies to hogs and cattle, which are land. In doing so he is misleading getting away with our corn.

existence of which lake has been kept | Accepting the impossible secret by the Hudson's Bay Fur company for 100 years, is more interesting than important. It shows, however, that there is a great deal in this world the hungry rush of his party, at least which has not yet been discovered or half of which, counting the adult generally revealed.

Democrats for fear the United States is the associate and brother of the fuse to confirm nominations which with brooms, yelling to have the inno doubt that were the case reversed There is nothing to expect except the just such a game would be played by the Democrats, but their alarm is favoring civil service reform, led Geo. needless. The Republican senate will H. Pendleton, a before honored and promptly confirm all proper nomina- trusted leader, outside the walls and ents. promptly confirm all proper homins-tions. The Democrats will have con-trol of the government, and the Re-trol of the government, and the Re-trol of the government, and the Republican party wants them to take the Democratic reply as, "Oh, What are responsibility of governing. They yer givin' us? will have full swing, and we hope they will make a clean sweep.

"LIGHT OF ASIA."

established at great expense through pion. the mediumship of sdvertising, recently died in Philadelphia, and the remains Natural Science in Chicago. It is presumed this is some stroke of Providence visited upon the sacred beast for allowing herself to be abducted from the temple in Burmab; at any rate the ordinary elephants made a terrible uproar at her death, and Rocks, one of the largest in the berd, pulled his leg from its socket in endeavoring to escape from his chains. The demise of the "Light of Asia" produces quite a sensation in the circus and elephantine circles, and now Chicago science has the honor of having the "sacred" remains confided to the Magwumps. Dudes can be worked to severe it. We may have the pulled his leg from its socket in endeavoring to escape from his chains. The demise of the "Light of Asia" produces quite a sensation in the circus and elephantine circles, and now Chicago science has the honor of having the "sacred" remains confided to her care.

We are confided by the bemocracy, very hungry and very thirsty, very hungry and very thirsty, very hungry and very thirsty. The above is what George William Curtis for allowing herself to be abducted from the temple in Burmab; at any rate the ordinary elephants made a terrible uproar at her death, and Rocks, one of the largest in the herd, pulled his leg from its socket in endeavoring to escape from his chains. The demise of the "Light of Asia" produces quite a sensation in the circus and elephantine circles, and now Chicago science has the honor of having the "sacred" remains confided to her care.

The above is what George William Curtis that been painted. We now have the Democratic has been painted. We now have the Democratic has been painted. We now have the been care it. We hope he is satisfied. His patriotism, if he has any, is loss sight of in the court of St. James, which he hopes to secure. The Democratic has any is loss tight of the court of St. A T. Beckerage of the will be desired. The Democratic party of the way have whose to the produces are full from the remains condided to his patriotism, if he has any, is loss sight of in the court of St. A T. have been forwarded to the college of

Inter-Ocean: The kazoo is the latest afernal machine that has found its way into civilization It consists of a eylindrical piece of red wood, with perforated tin trimmings, and its utility is derived from the fact that "it can play any tune without a teacher " can play any tune without a teacher "
The breath of any healthy boy projected into one of its perforations projected into one of its perforation projected duces a wild, wierd sound; and, as the expansive mouth of the youth incorporates in its sweep the other openings of the lute, there is a combination of notes that defies competition. It is said that its discordant mutterings outdo the melodic miracles of Orphens. The feline serenader that startles the stars at dead of night pauses in the midst of a caterwaul at the sound of a Sam Wood is the latest Democratic k-zoo, and presently retires in a state No More Trouble for the Solid South-N candidate developed for the postoffice of discomfituse and terror; the boards of the back fence warp and the nails thereof have the headache; and the A young lady was foully outraged acme of its melody will banish freekles

ST. JOHN'S LAST SPEECH

The state temperance union has Henry Ward Beecher announces been in session for the past two or three days in Topeka. St. John was that he is done with politics. Yes, no there and the result was a small row. doubt, and about every decent man in there and the result was a small row rang out the glorious news, and all the United States is done with Henry when that gentleman tried the role of the factory whistles blew, creating a dictator. After being set down upon the chair made a ruling which gave unceasing yells of the triumphant the chair made a ruling which gave After all the cry, the Germans him the floor on the question of a nd listened at a half dozen different throughout the United States went al- third party and the following is his stand- of speakers who were hauled

Mr. President, Ladies and Gentlemen of the Convention—I came here as one who has had just a little bit to All good Democrats should make a do with the temperance work, both in this state and in the nation. I am nat of the South, and there is no use try-bere to defend a third party, nor any bere to defend a third party, nor any party. The third party will take care the first flush of victory had the delightful shock Ind., has sent in his resignation. The of itself; but I am here to enter my protest against the resolution now under discussion. [Contusion, cheers and hisses.] It is equivalent to saying that no man can be a Prohibitionist that no man can be a Prohibitionist who is not a Republican. [Cries of "sit down, go on got out in got of the continuous properties The southern politicians are demand- and hisses.] It is equivalent to saying frame ing the postoffice department, that a that no man can be a Prohibitionist southern man shall be postmaster general, as nearly one-half of all the federal offices are connected with that federal offices are connected with that department. Let them have it by all and eries of "order" by the chairman.] I see before me some of those who were present at its organization, and they know it was not organized in the interest of any political party. If it is to be a Republican organization I will get out. [A voice, "Get out, then. You've been in too long now."] I have been engaged in oppeared during the campaign? They this work nearly forty years, and by would have proved a bigger load then the help of God I will stay in it. As The qualities of hunger and thirst that Mr. Curtis attributed with such vehemence to the Democracy, prior to flopping, seem to be having fively exemplification. In some of the small towns in New York there are twenty-five applicants for each postmastership:

with every temperance organization, everytemperance man and woman in this state and in the whole country for the suppression of the dram shop; but if I have got to surrender my rights as an American citizen and vote according to the dictates of the Republican party, or any other party, I'll step out. [Cries of 'Get out then!" step out. [Cries of 'Get out then!" "Go it!" "Hear!" "Order!"] I have ship: yet to hear of a reason why I should not vote as I please, and I propose to
